Namale Resort announces the acquisition of a new dive boat to be delivered around June or July 2011. This new addition will afford divers better access the Namena Marine Reserve and the Somosomo Straits among other amazing dive spots in the north.

The model is a 72 Fly, 11.3 meters with a 4-meter beam. Here are some artist renderings-

If you have any questions about this announcement, Namale Resort or any Fiji resort, please contact us at [diveinfo@seafiji.com](mailto:diveinfo@seafiji.com).
